Wedding Photography Price Guide

To photograph you on your day would be my honour!

When you book me for your wedding you can expect someone who will give every last bit of energy into making sure your day flows seamlessly and that you have the photographs to match. Let's create some magic together!

THE EXPERIENCE

I think wedding photography should be a combination of unposed, documentary style photographs with a bit of glamour thrown in. Planning is essential and communication a must. Most of my clients express concern about being in front of the camera - but we are in it together.

REVIEWS

FROM COUPLES

Lisa & Kyle

"We one million percent recommend Jen for your special day. We were lucky enough to have had Jen shoot our Wedding which included our first look. Jen went absolutley above and beyond to help make our day magical, seamless and so much fun while capturing the most incredible moments...!"

Rosie & Scott

"Jen is hands down the most incredible wedding photographer ever. It is like having a close friend involved on your day, and she will capture every little moment without you even noticing. Jen you will always have a special place in our hearts "

Emily & Gil

"Jennifer did a fantastic and professional job with our wedding photography! Her photos were unique and beautifully captured our special day. Her kindness and gentle nature put me at ease and my husband and I are so thankful to have had her as our wedding photographer. "
